All Too Flat Generic Comment Cards

Have you had a really great waiter? Or a really sucky cab driver? But you didn't really know how to let them know? Feedback is very important to improving the quality of goods and services in our environment.

With that in mind, please print out these comment cards and cut along the dotted lines. Carry them with you at all times. When you have a good experience or a bad one, you can use these cards to let them know how you feel.

Just another innovative solution from the jackasses at http://www.alltooflat.com
